GUT FILL RATION FOR CALVES

CRUDE PROTEIN	MIN	12.0%
CRUDE FAT	MIN	3.0%
CRUDE FIBER	MAX	18.0%

A fiber filled ration to give your calf the depth of body and spring of rib that is need to compete. High beneficial fibers from cottonseed hulls, beet pulp shreds, and alfalfa. A 12% protein level combined with natural protein and non-protein nitrogen (urea). Designed to maximize protein to feed the rumen bacteria. Same levels of the chelated mineral package with vitamins as in our grower and finishing rations to promote same immune response and fortification that is needed to maintain and promote optimum health. Prebiotics and probiotics added to promote superior digestive health. Prebiotic Amaferm increase rumen activity by stimulating the rumen fungi and increasing the rumen microflora. Yeast and lactobacillus promotes increased intestinal activity and absorption. Moderate energy level so animal will tend to eat more that they would with the Grower and Finishing Feeds. Still includes Steam Flaked Corn, Oats, and Barley to satisfy the carbohydrate requirements.

Ful-O-Pep **EXCEL** Show Feeds are professionally formulated with *Proven Results* to help you **EXCEL** in all that you

do! Whether you are preparing animals for *Show Competition* or you are a *Professional Livestock Breeder*, **EXCEL** Show Feeds will make you a winner! **EXCEL** Show Feeds are formulated utilizing the latest research available for each species to guarantee that your livestock reaches the desired results necessary for today's competitive show arena. Feed **EXCEL** Show Feeds with *confidence*, knowing that you have made the right feed choice for your livestock. Ful-O-Pep Feed consultants are available at all times to answer questions or provide advice based on years of combined experience in feeding livestock for shows and breeding.

We consider ourselves as a part of your team to help you **EXCEL**!

FUL-O-PEP

Show Calf Grower/Finisher and Show Calf Finisher are professionally formulated to help you produce a winner! Both Show Calf feeds contain SF Corn, SF Oats and SF Barley to encourage growth, finish and bloom. Show Calf Grower/Finisher and Show Calf Finisher also contains yeast to aid in digestion along with chelated minerals for increased mineral absorption and immune response. The latest in enzyme technology has been added to these rations to enhance digestion and increase energy availability which equates to more muscle and finish produced. **Bovatec (25gm/ton)** added to improve feed efficiency. Cracked roasted soybeans also used to enhance energy and by-pass protein.
